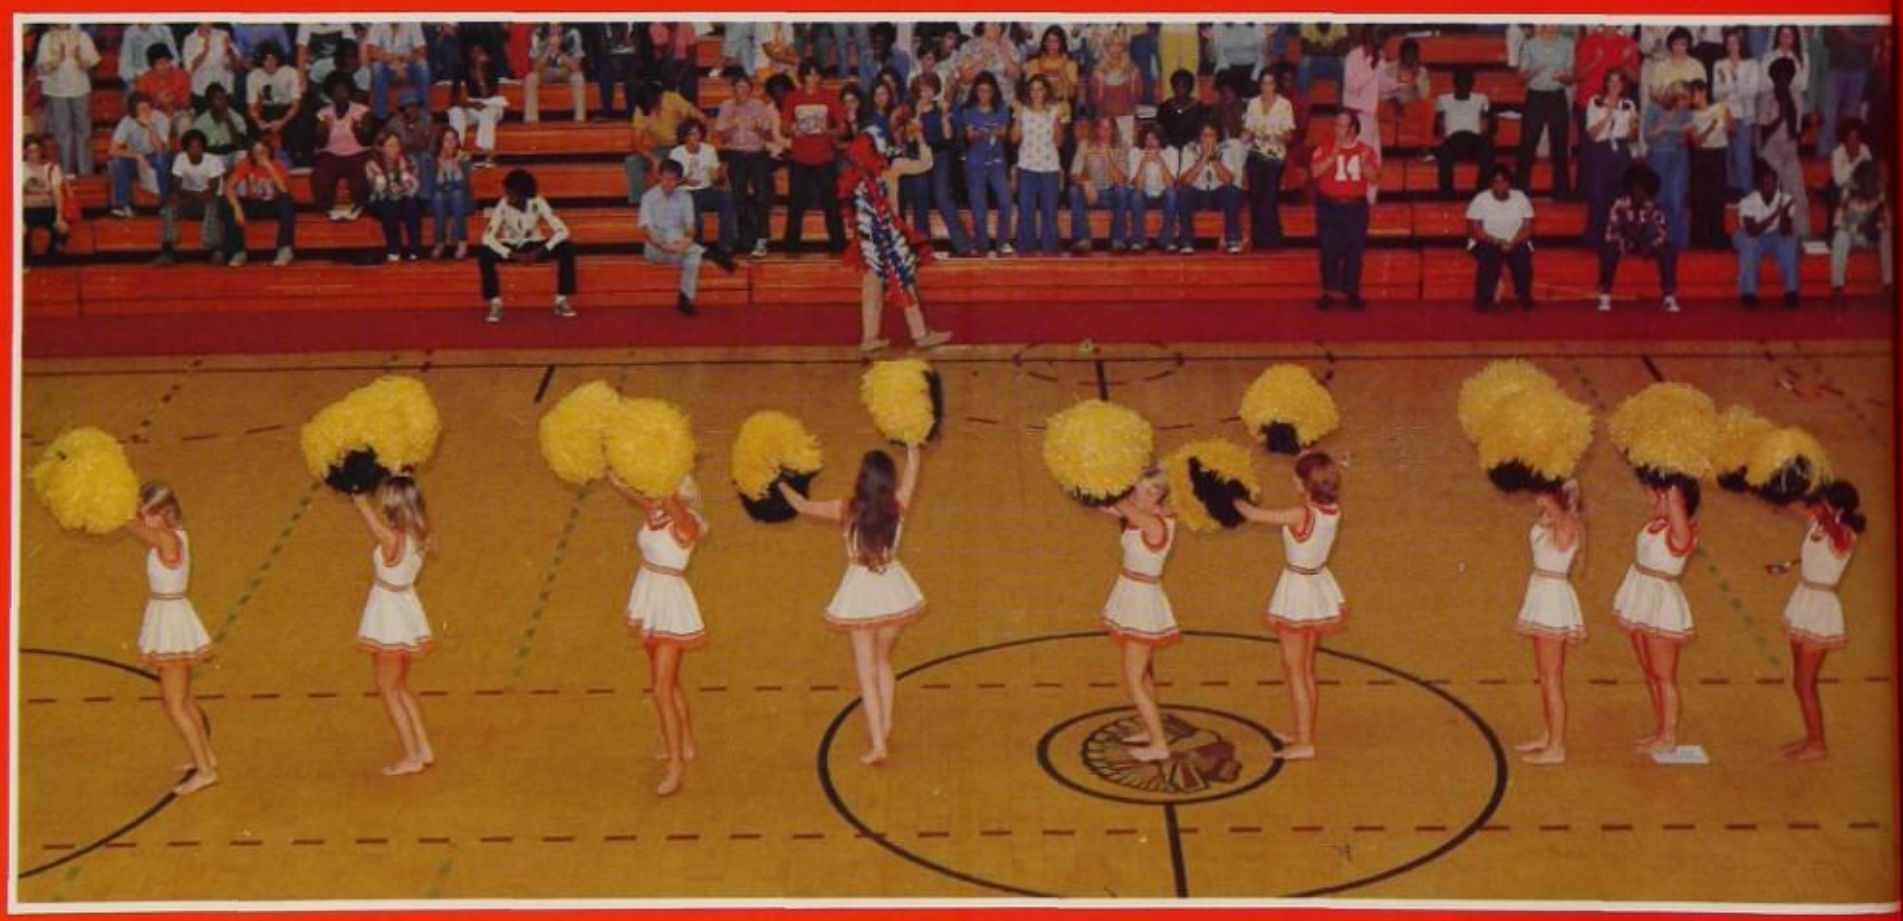
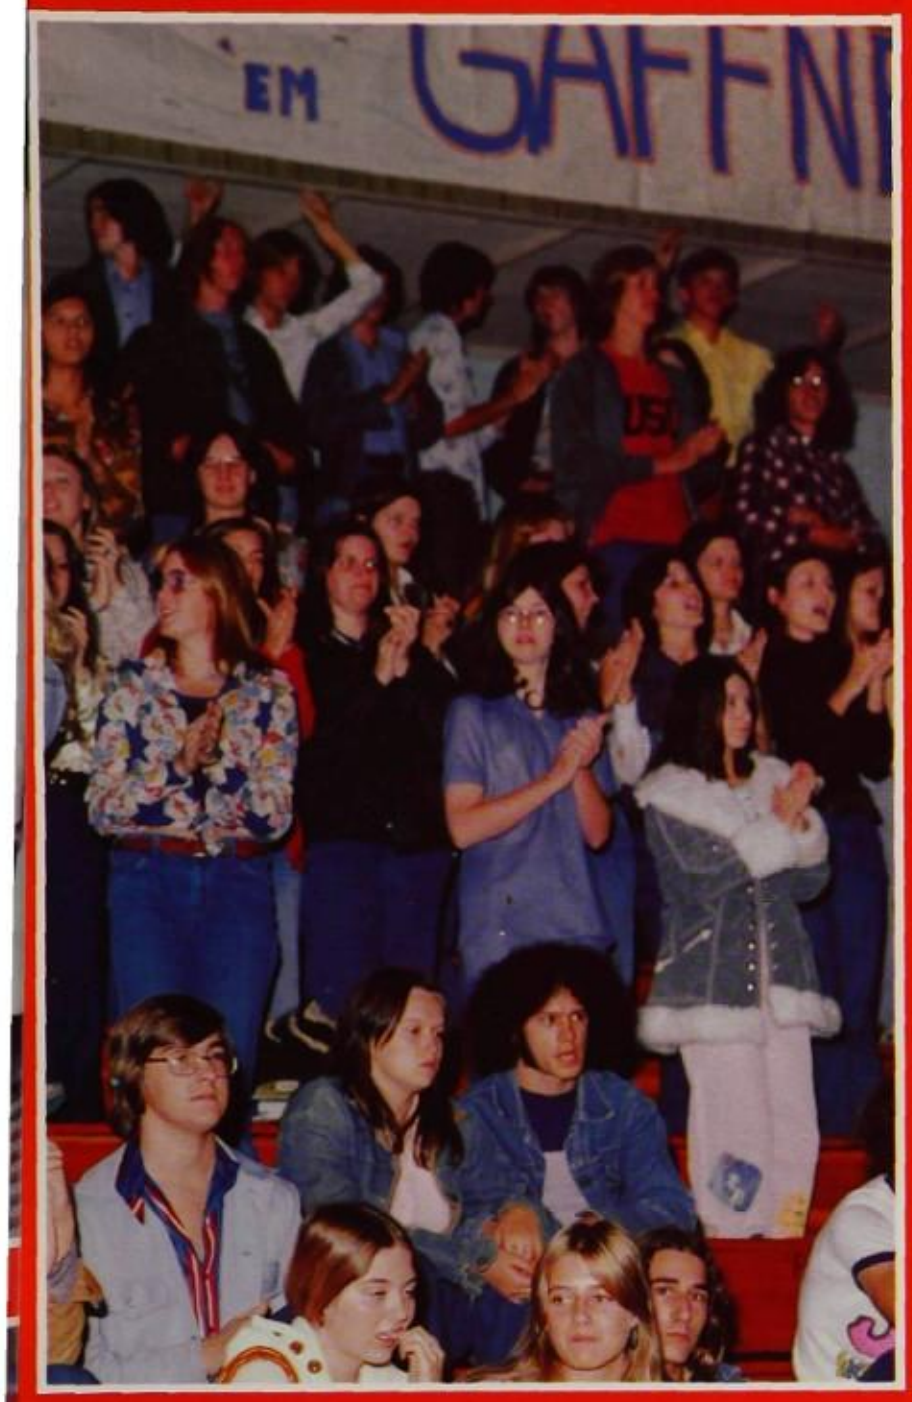
Remember When . . .

Many years from now you may be far from Gaffney High, but it is an accepted fact that you'll never forget the great school spirit for which GHS is so famous. The fans that yelled unceasingly, the band that loudly performed, and the teams that played with pride will forever remain a vivid memory of school spirit and loyalty.

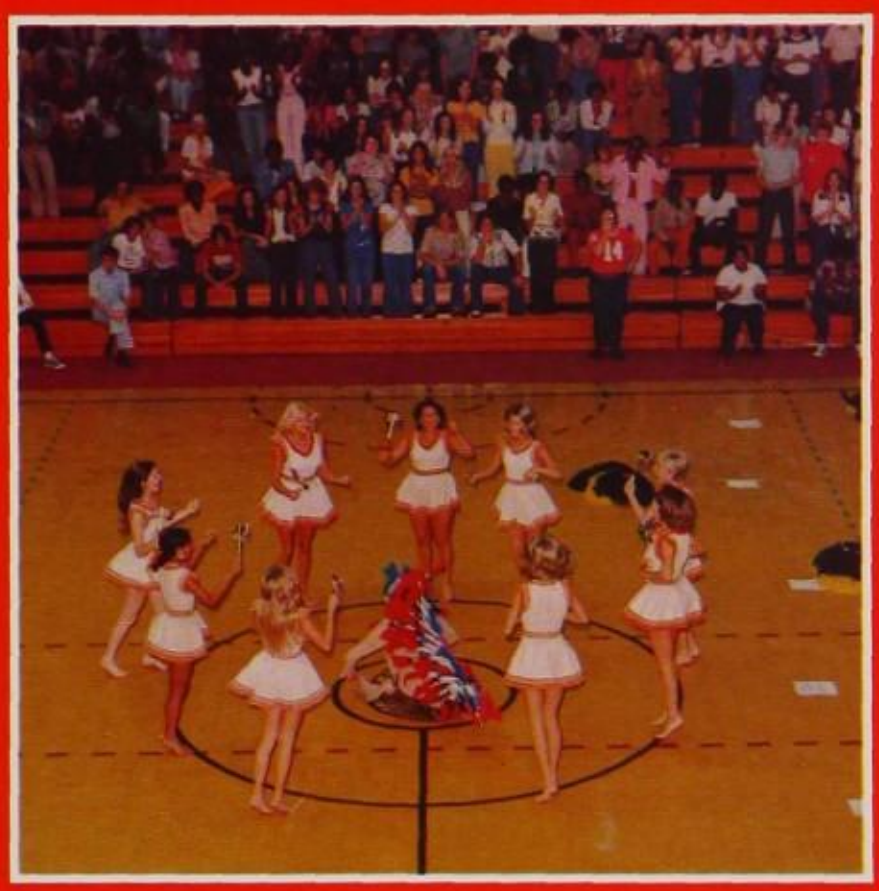


. . . 'beat 'em' was the good word?

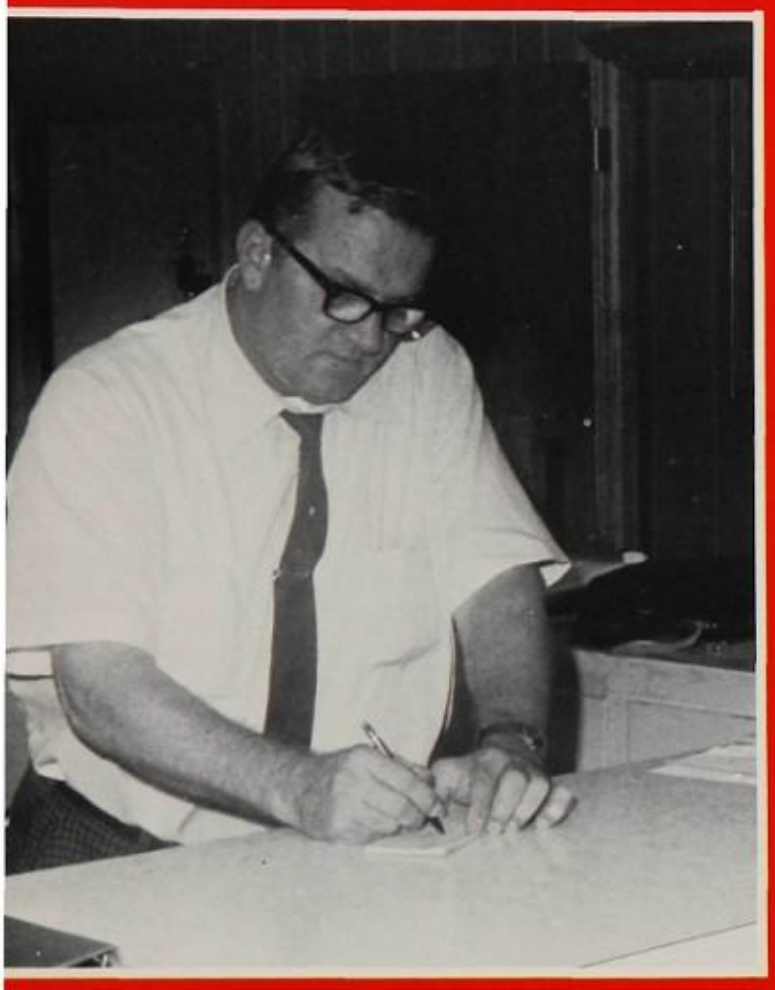


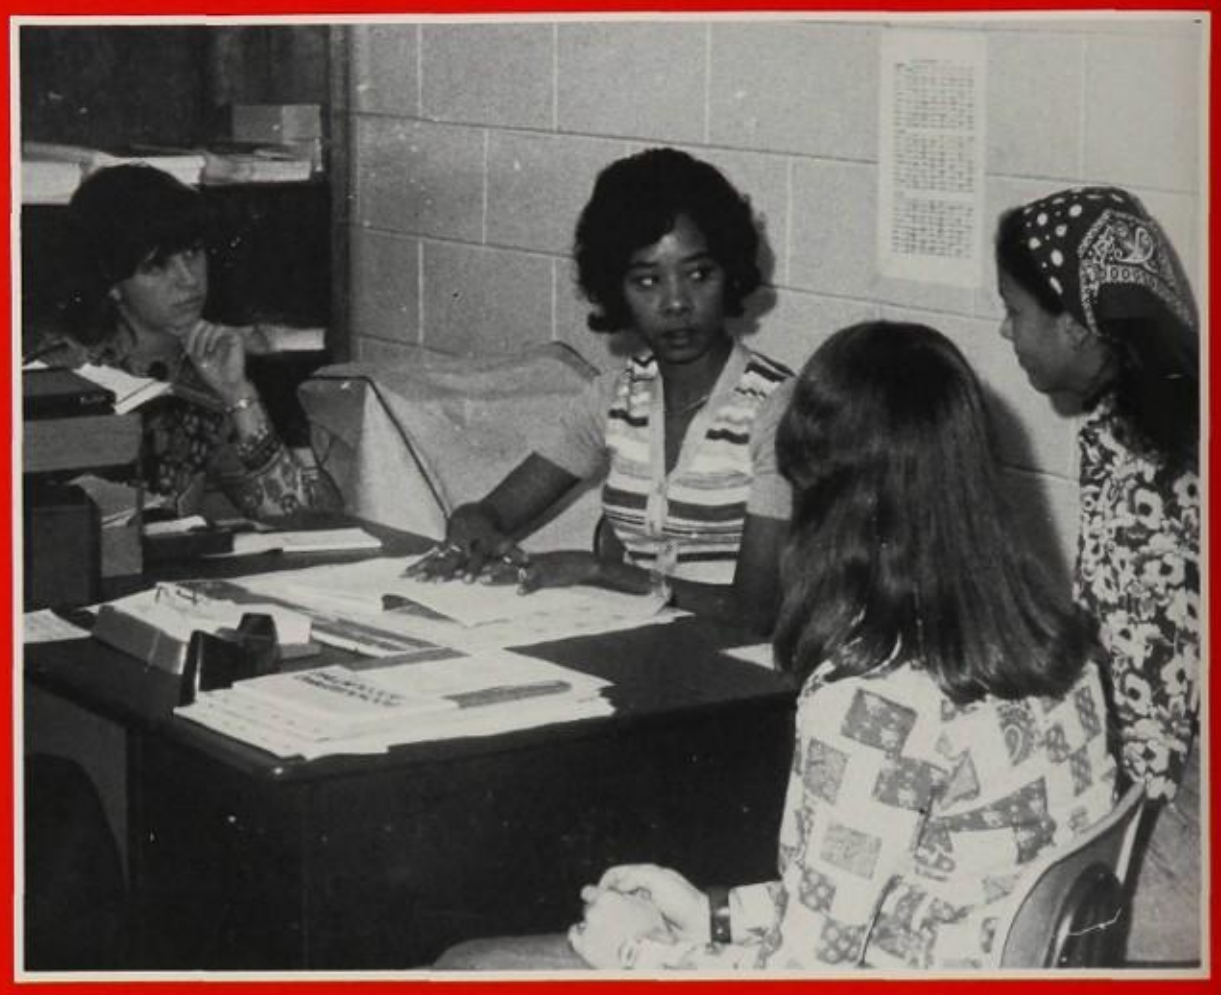
Opposite page: Left: The GHS Colorguard performs in dress uniforms during the Gaffney vs. Spartanburg pep rally. Right: Coach McRee encourages support and loyalty for his team. Lower: The cheerleaders get things stomping at a pep rally with 'Saints.'

Left: Seniors really show the 'Spirit of '76!' Right: The traditional war dance gets players and fans fired up for the game. Lower: Amid cries and dances for victory, the varsity football team anticipates the night's activities.

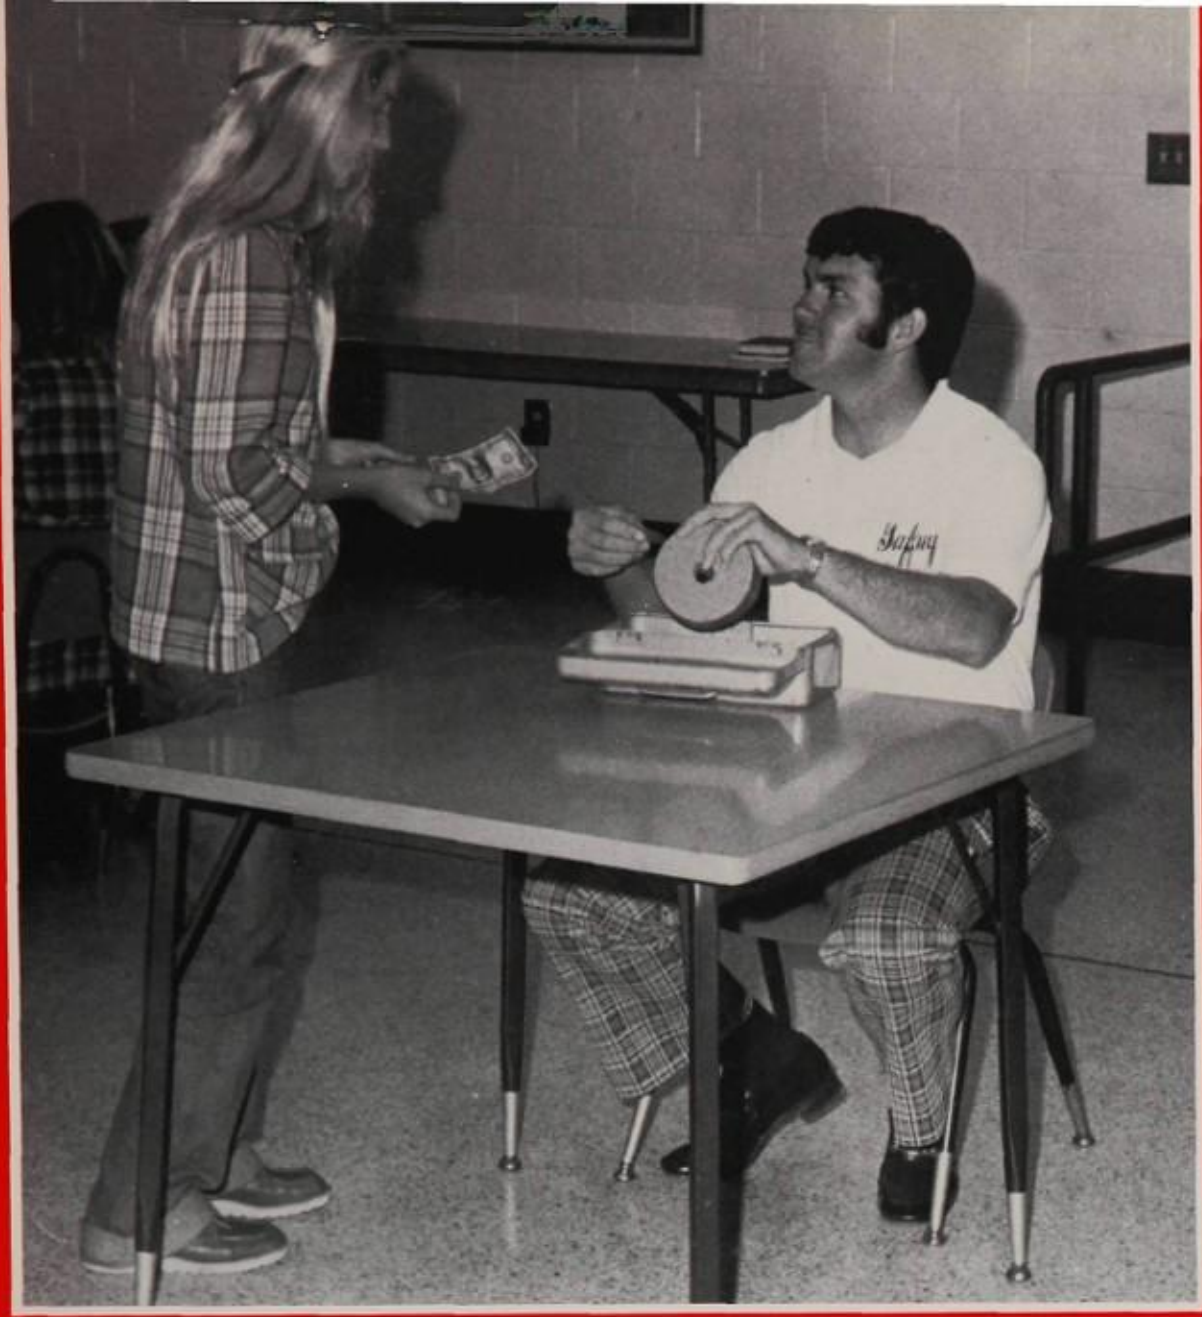


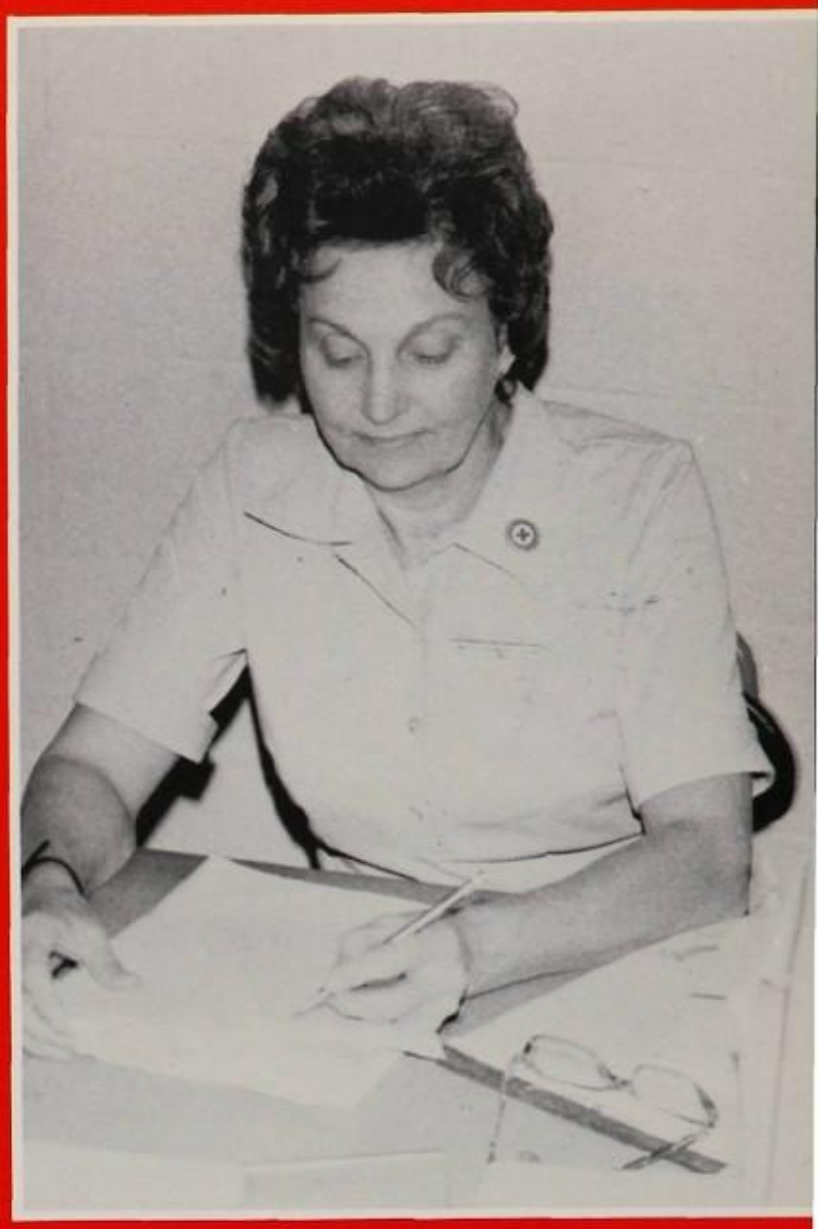
. . . *there was always someone to help you?*





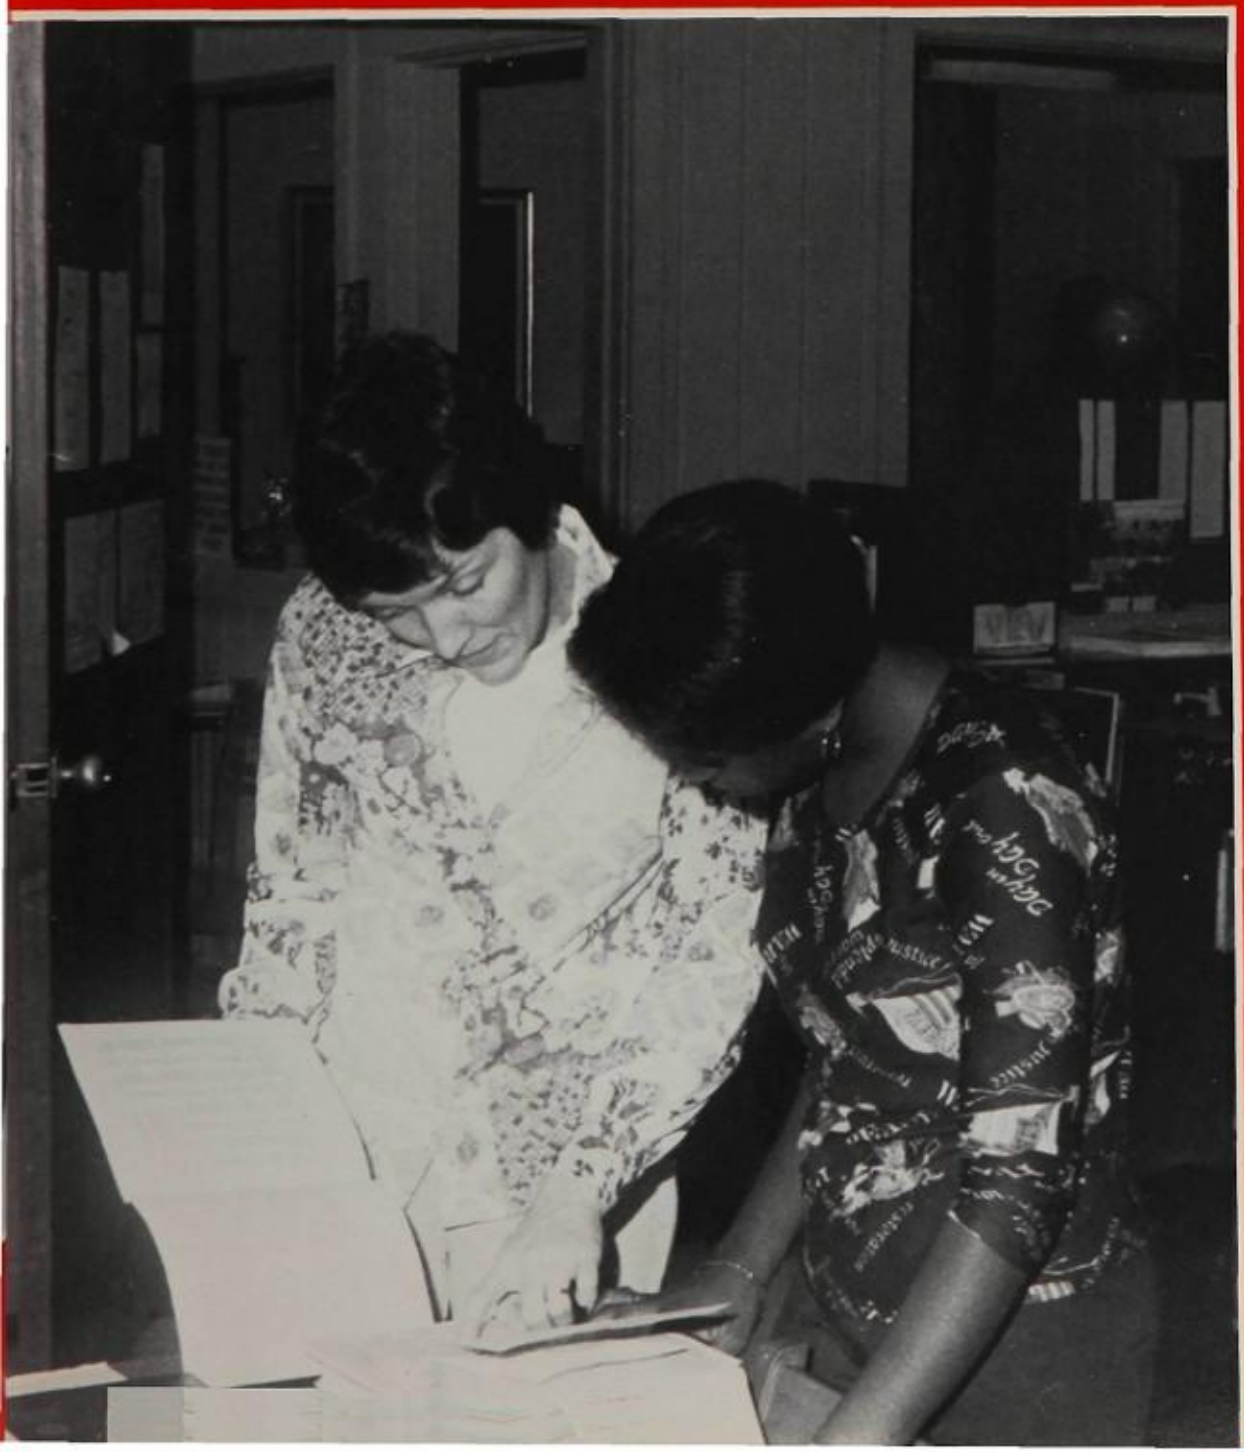
We should be grateful for the advice and patience that is bestowed upon us by our teachers and counselors. They have taught us a lot of what we need to know in preparing to be independent citizens.





Opposite page: Upper left: Mr. Quick writes out an admission slip in the office. Right: Miss Wood discusses college choices with interested students. Lower left: Mrs. Crowder is caught by surprise as she teaches. Right: Learning is a valuable process; Mrs. Guthrie instructs her class on a math problem.

Left: Tickets are sold by Coach McRee during the lunch hour for the night's football game. Right: Nurse Eggers consults her records in the clinic. Lower: In the library, Mrs. Lovelace explains how to use helpful sources of information.

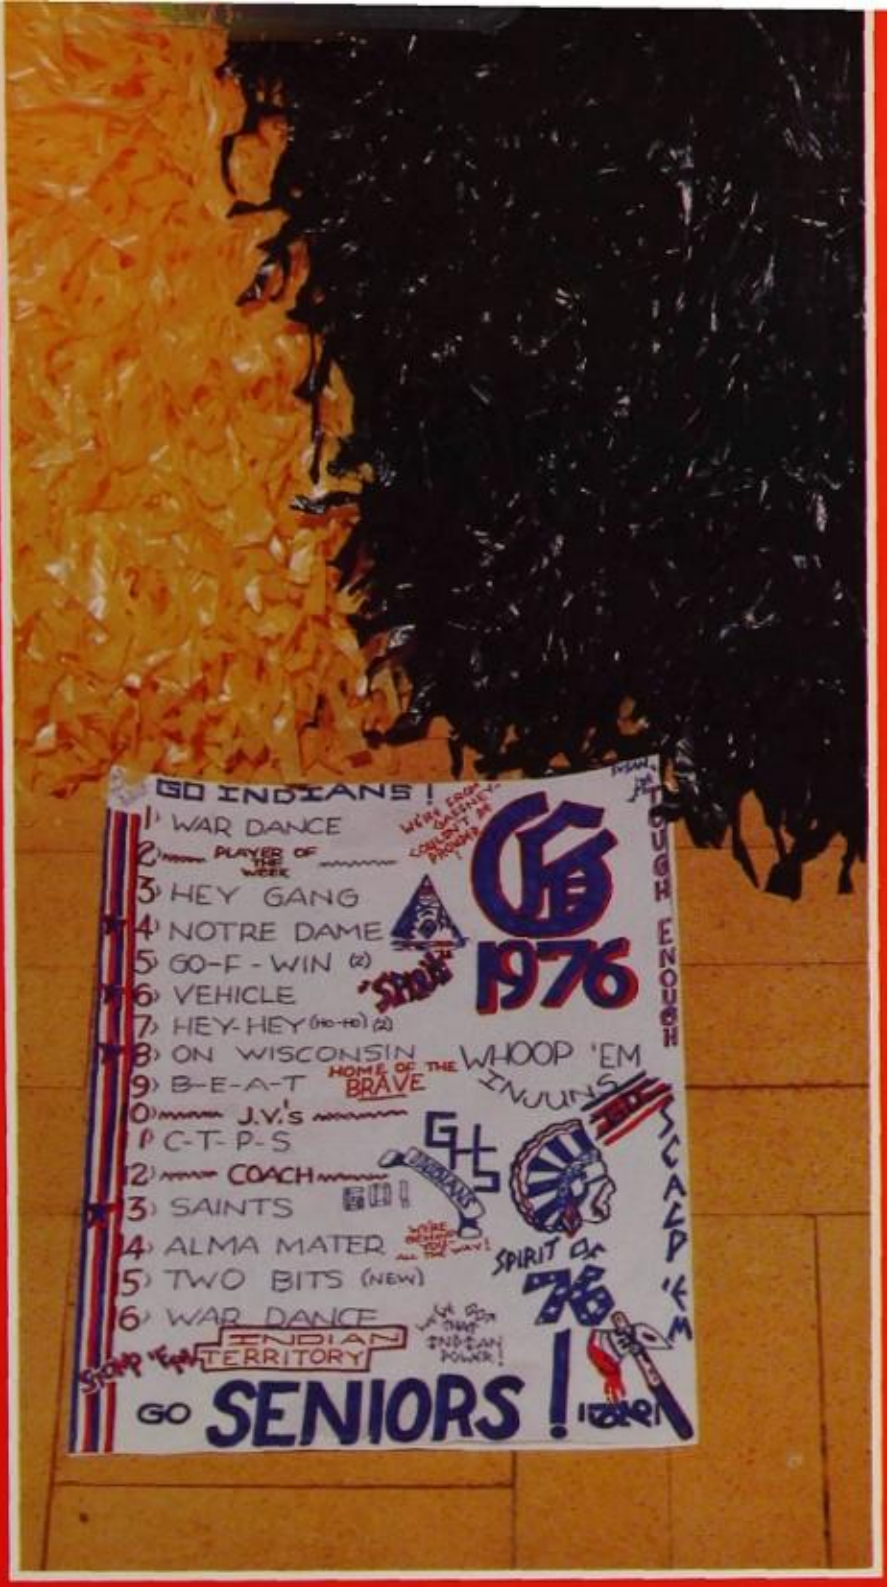


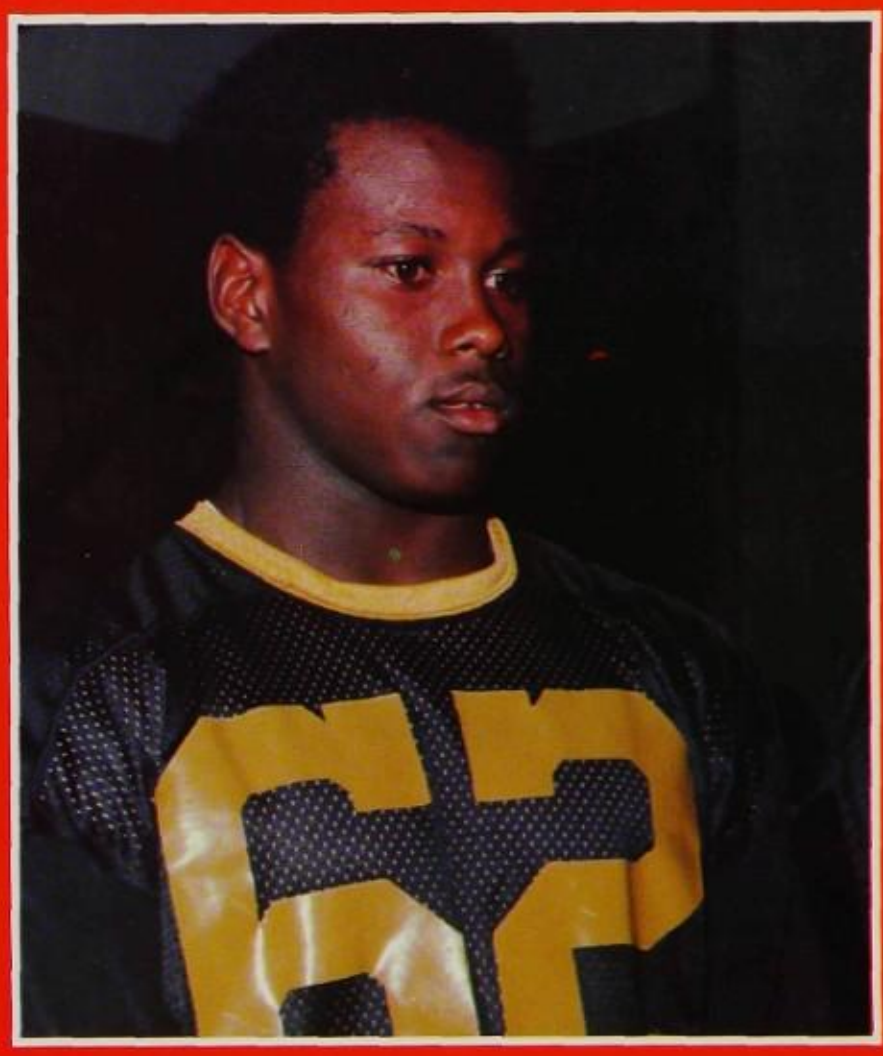
. . . everyone had his special moment?

The years that we spend at GHS will prove to be some of the most special and rewarding. Somewhere between our sophomore and senior years, there will be a special time for each of us. When it arrives we should appreciate it, for that particular moment will never come again.

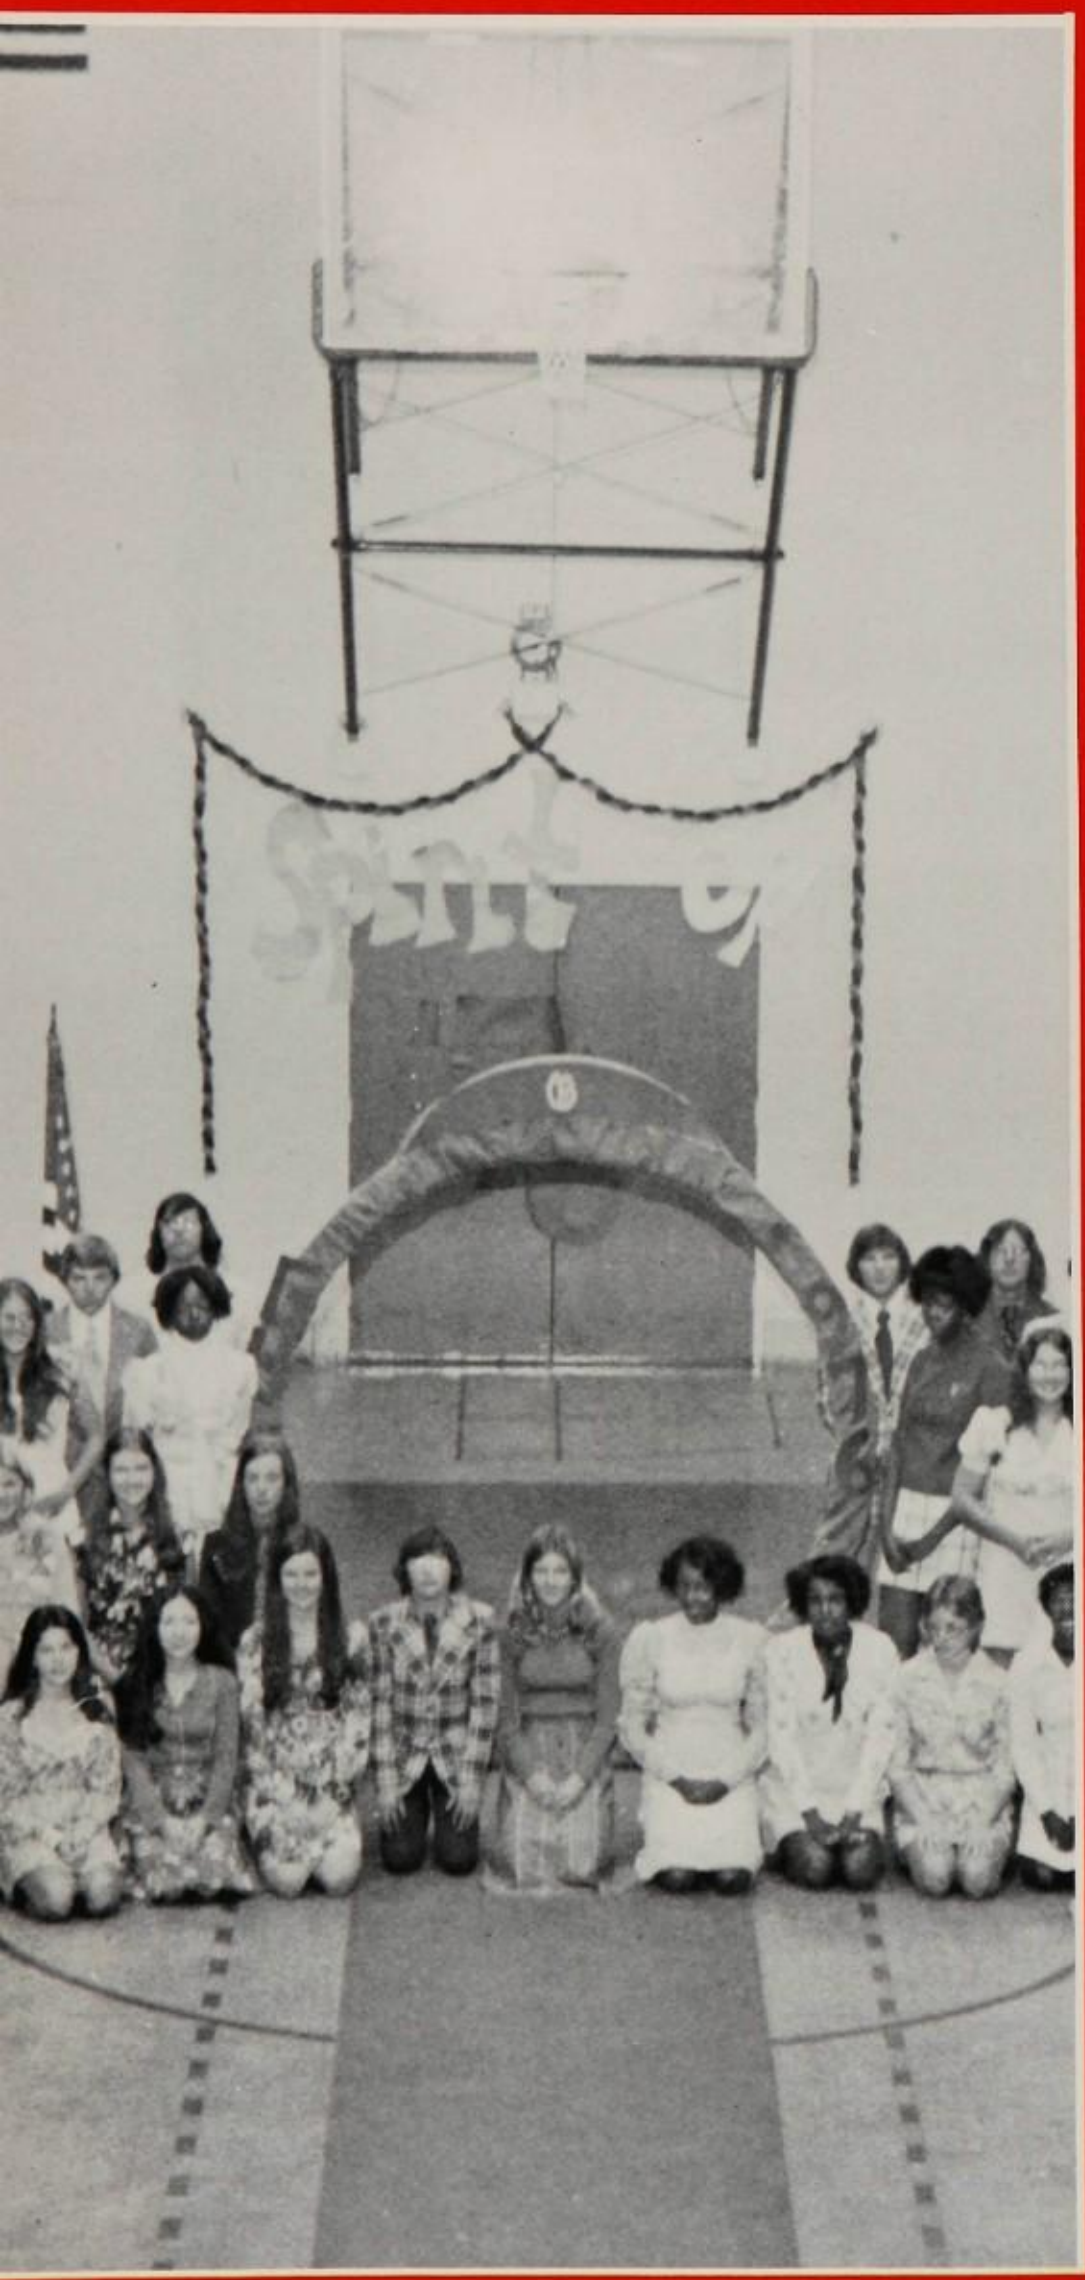
Opposite page: Left: Libby Upchurch and Ray Cooper exchange class rings during the September 25 ring ceremony. Upper right: Valuable prizes are displayed for the senior magazine sale. Lower right: For his outstanding performance, Scott Childers receives the Player-of-the-Week award from Meri Seignious.

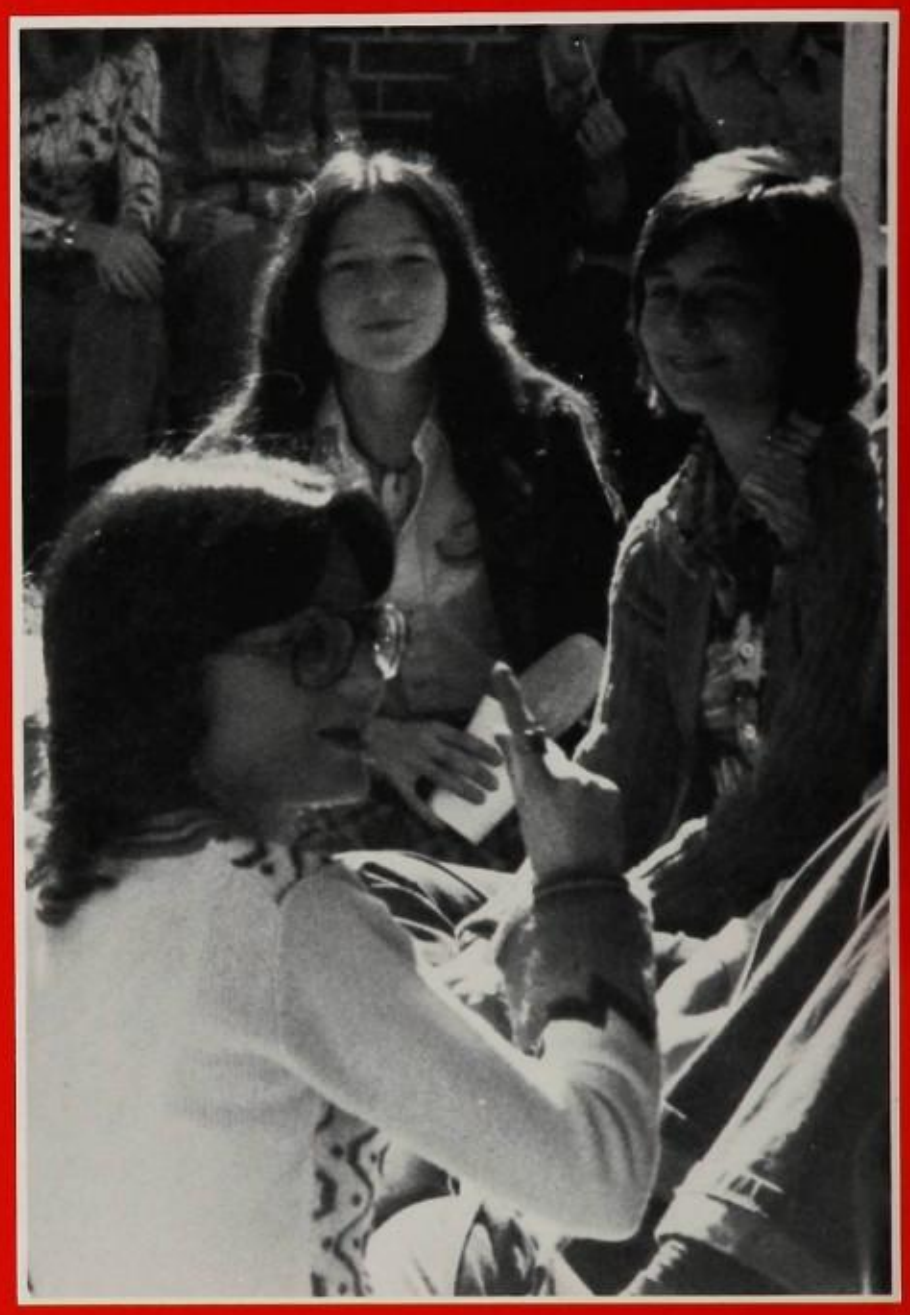
Left: The program for a pep rally, specially written and illustrated by Susan Owens, shows spirit for the Class of '76 and GHS black and gold. Right: Co-captain William Kirby prepares to speak to his teammates and supporters during a pep rally. Lower: The Homecoming court and sponsors applaud the play on the field.

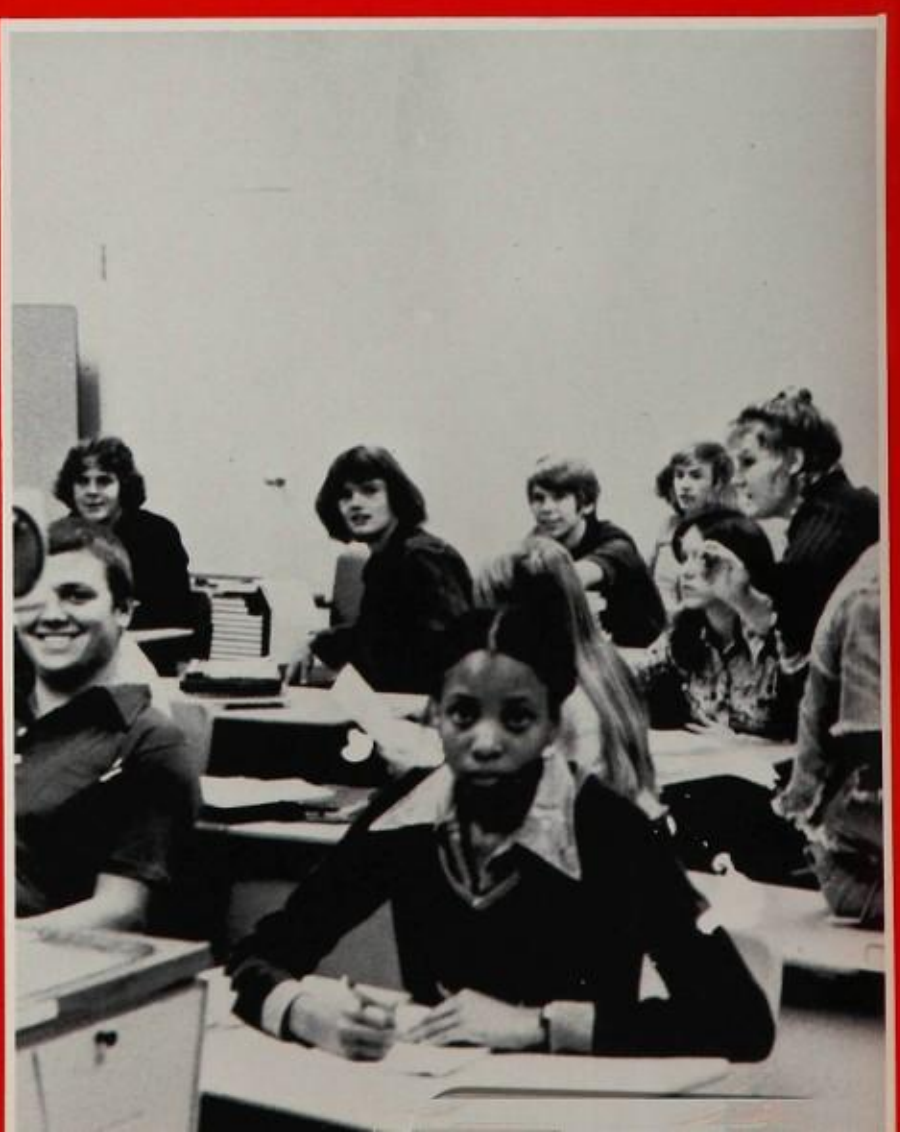


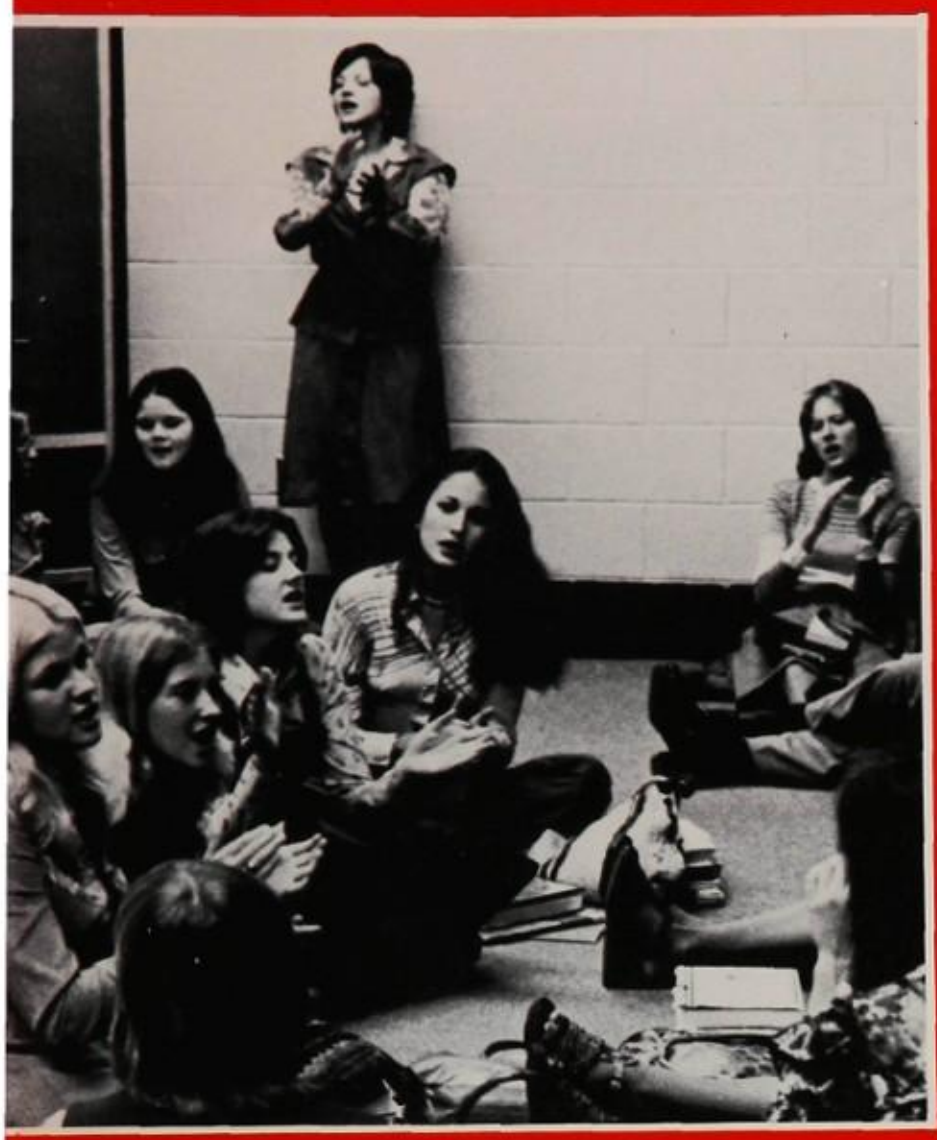


. . . we were always together?





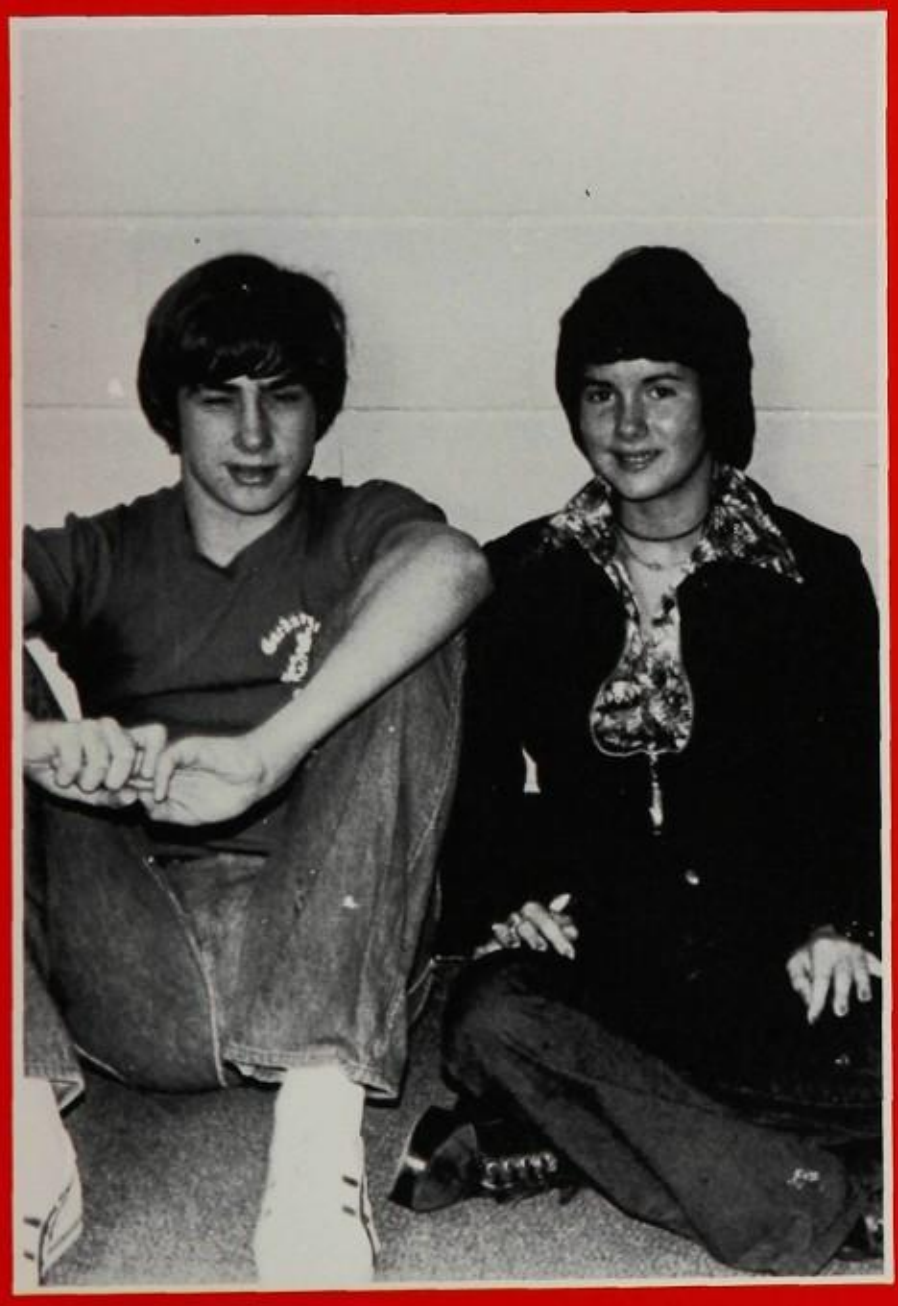


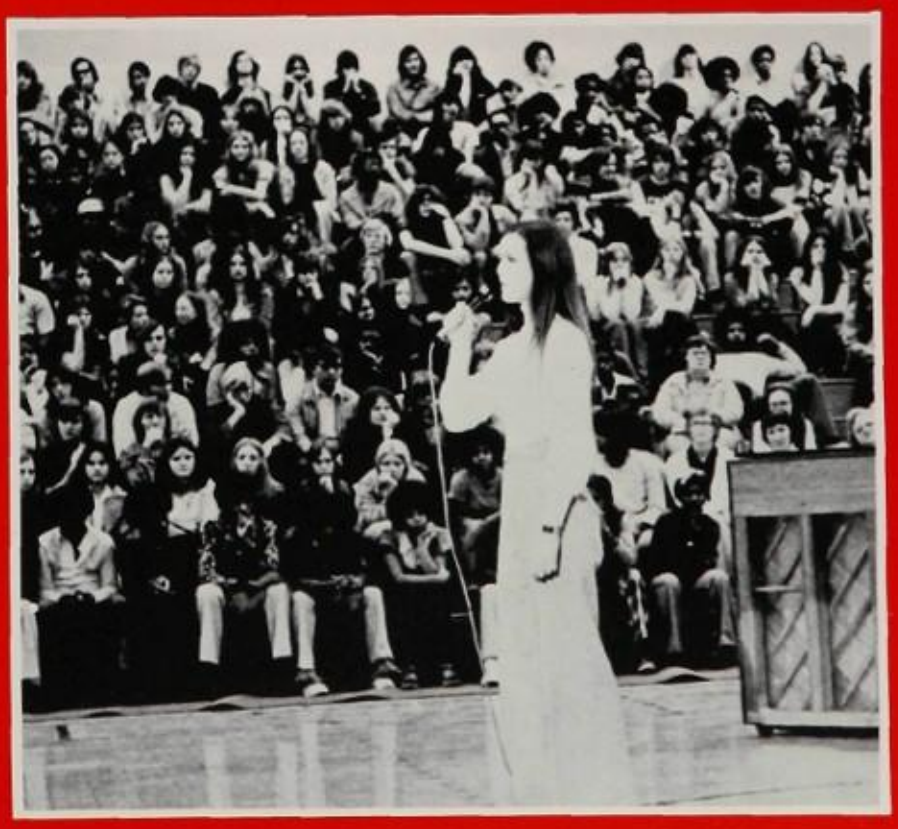


We will part and go our separate ways but in our minds will linger the many times that we were all together. Happy and sad in fun and work we were one big group of active teenagers striving for our own individual goals.

Opposite page: Left: Seniors gather around the GHS ring after the ceremony which was held on September 25. Upper right: Students take a break during lunch to relax and have fun. Lower right: These students seem to be paying more attention to the camera than their teachers.

Upper left: The commons area during recess indicates the Spirit of '76. Right: Students prepare to board the bus that will take them home. Lower left: Bobby Prevatte and Arlene Turner get together in the hall during recess. Right: Susan Owens entertains the student body as she sings during the Student Talent Show assembly.





. . . being at GHS

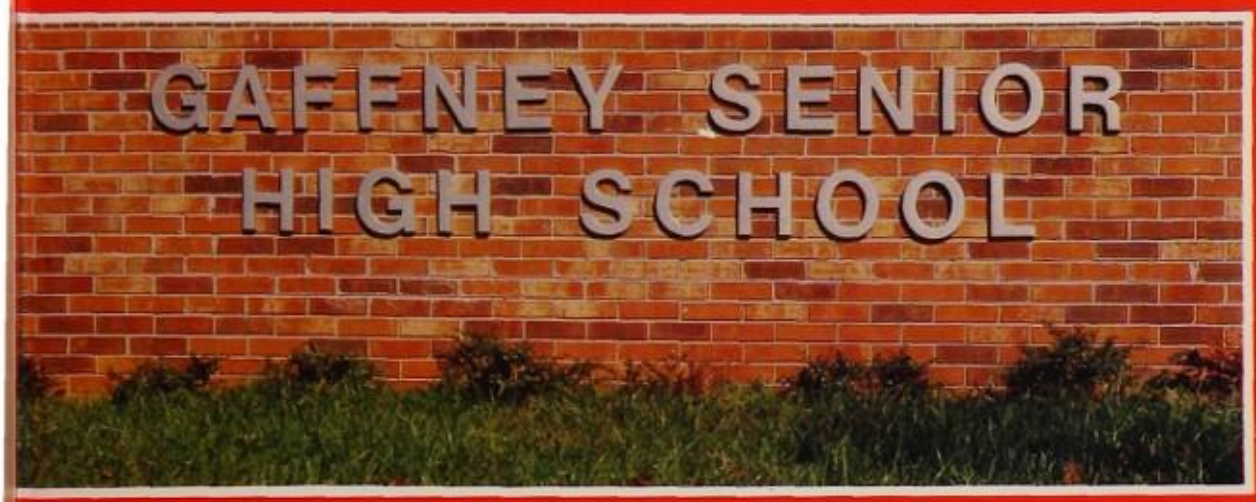
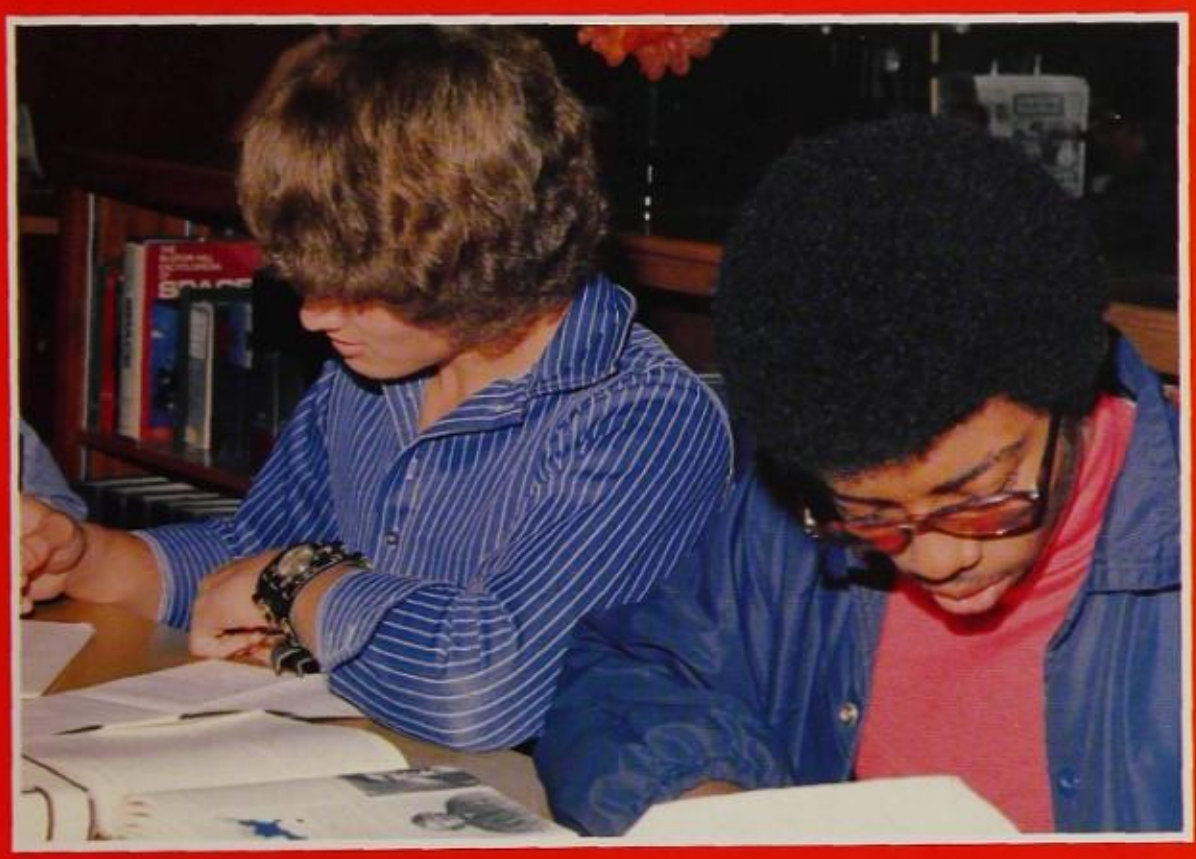
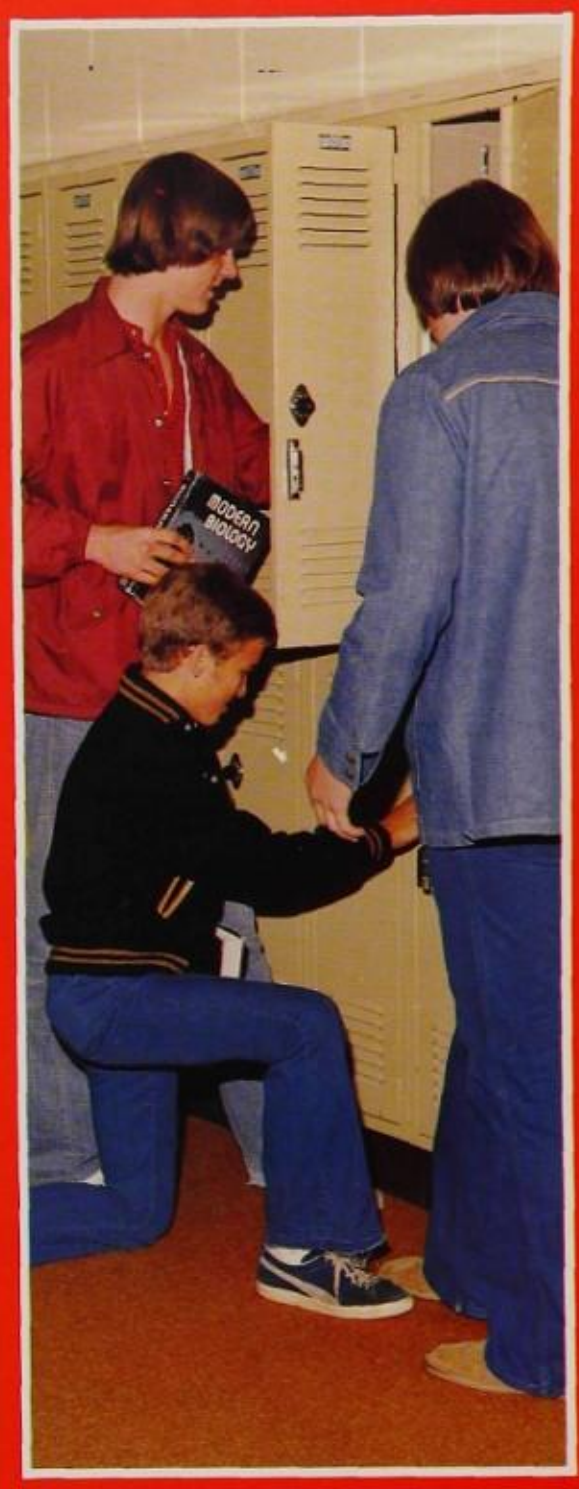
was the spice of life?







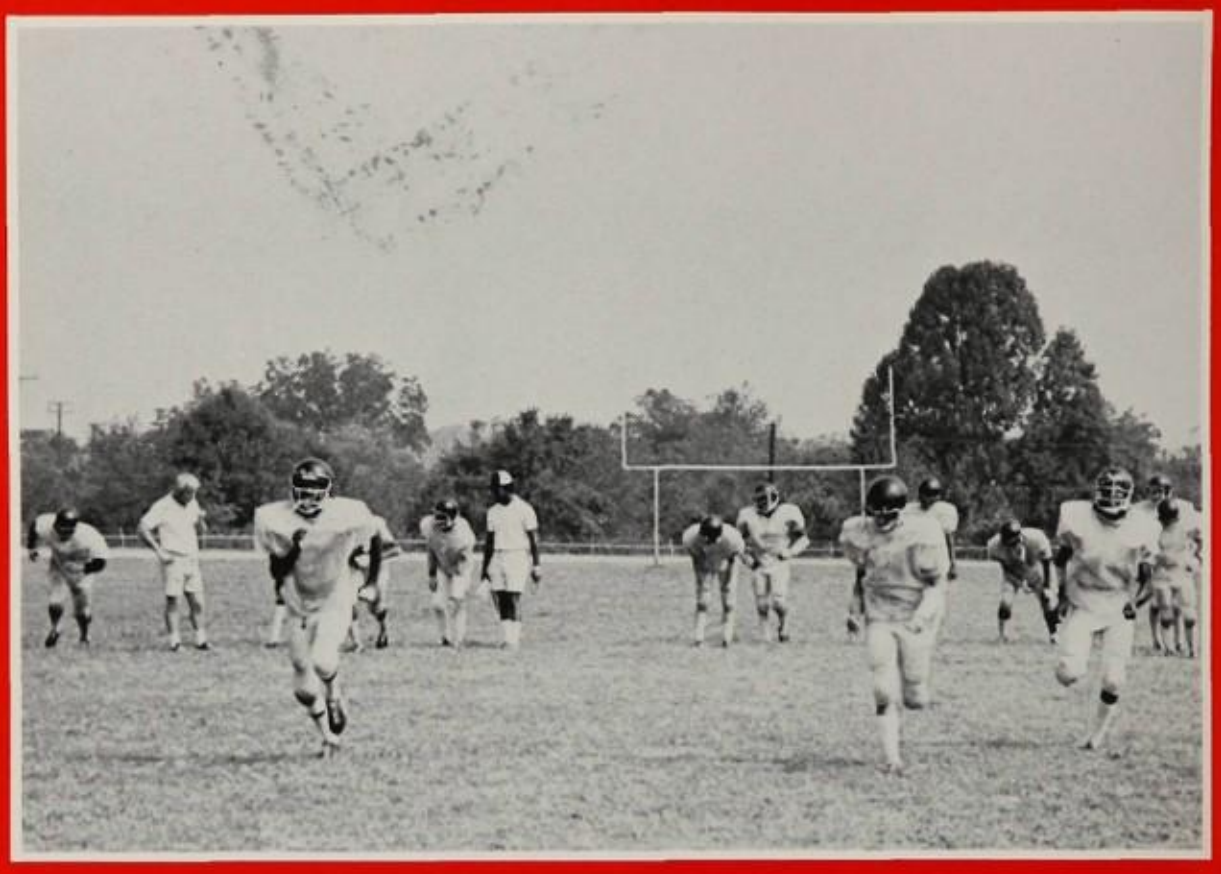
You may not have liked school, but it was one of the major centers of your life. It was there that we worked, played, ate, and sometimes even slept. Now think about it; wasn't it a great place?

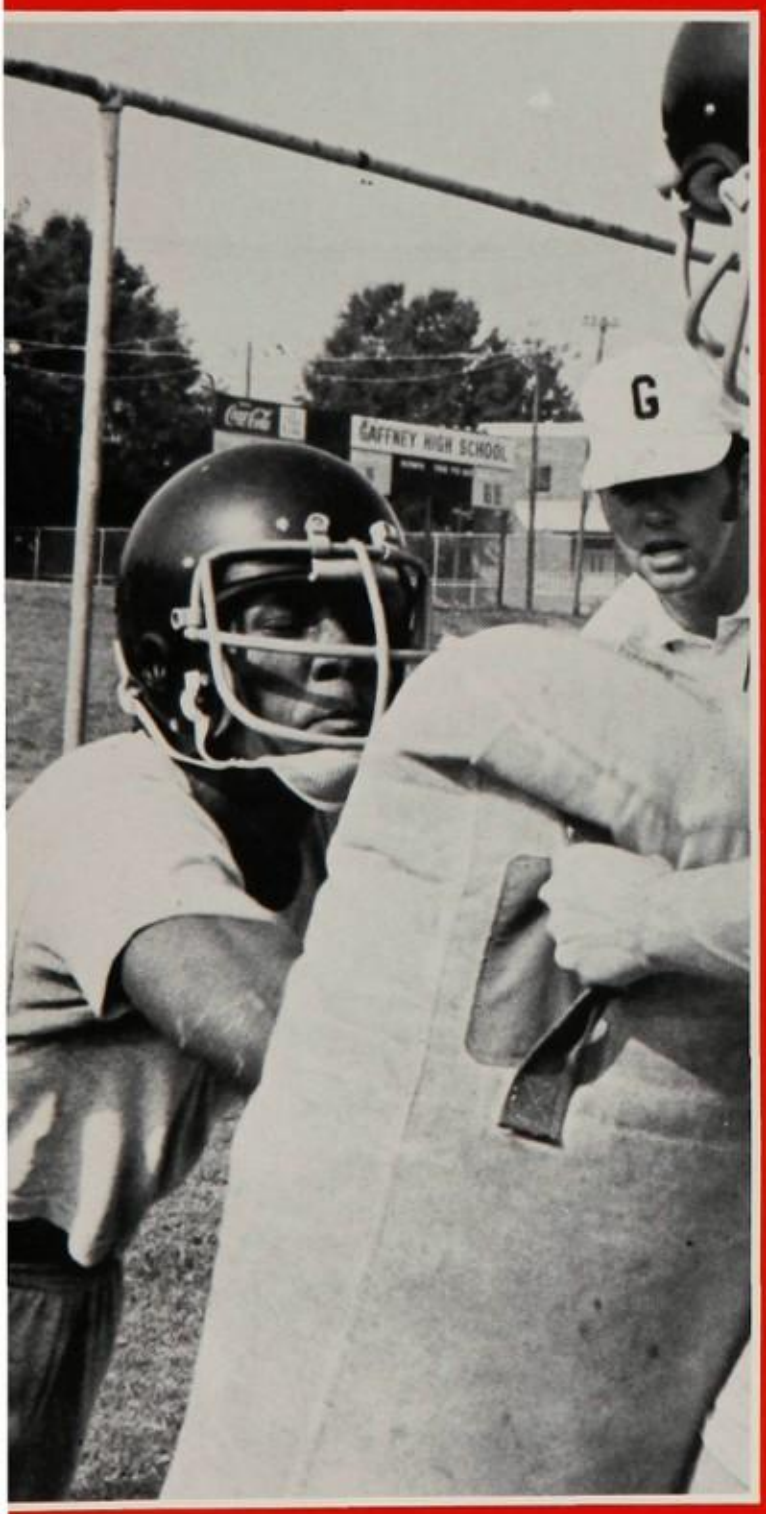
Opposite page: Left: Laura Truluck and Vicki Burgess prepare to enjoy a delicious meal in the cafeteria. Middle: An unidentified student gets 40 winks during class. Right: The INDIAN POST staff works diligently to get the paper out on time. Lower: Bulletin boards around the school tell us of up-coming events and publications.

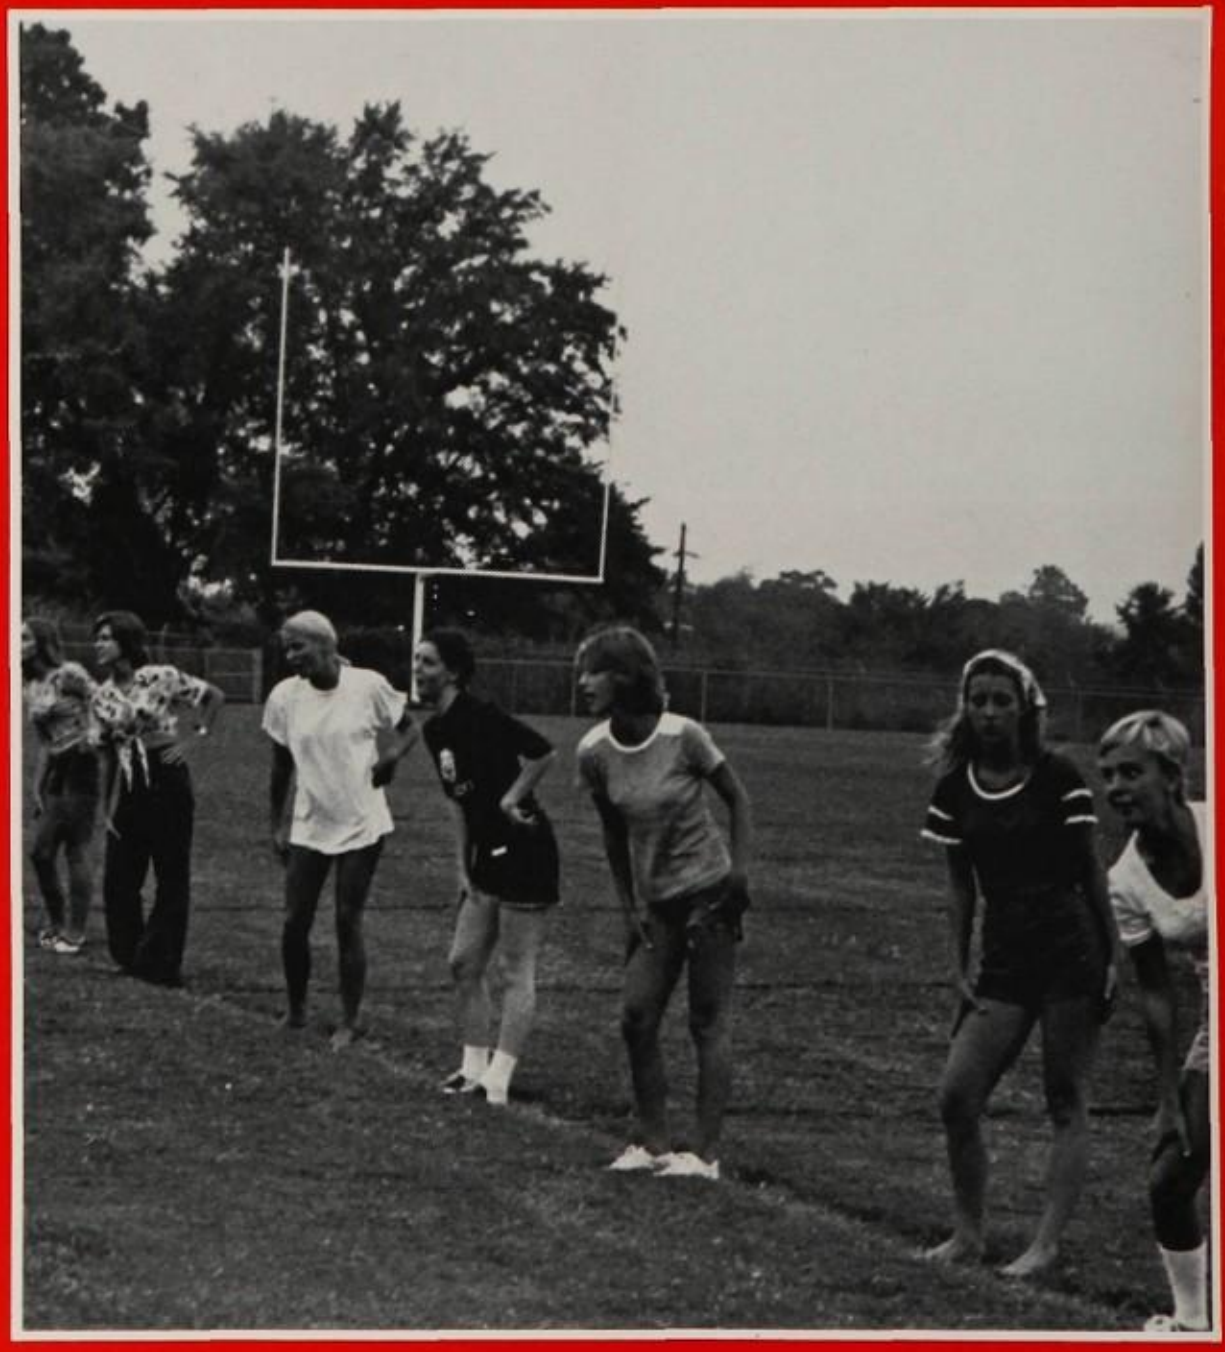
Left: This sign in front of the school indicates that you are now in 'Indian territory.' Middle: Derrick Knuckles and Mike Barnhill study in the library. Right: Richard Teague, David Cook, and Stanley Wilson exchange their books for 3rd period class. Lower: Teachers make preparations for the halftime ceremony during the Homecoming football game.

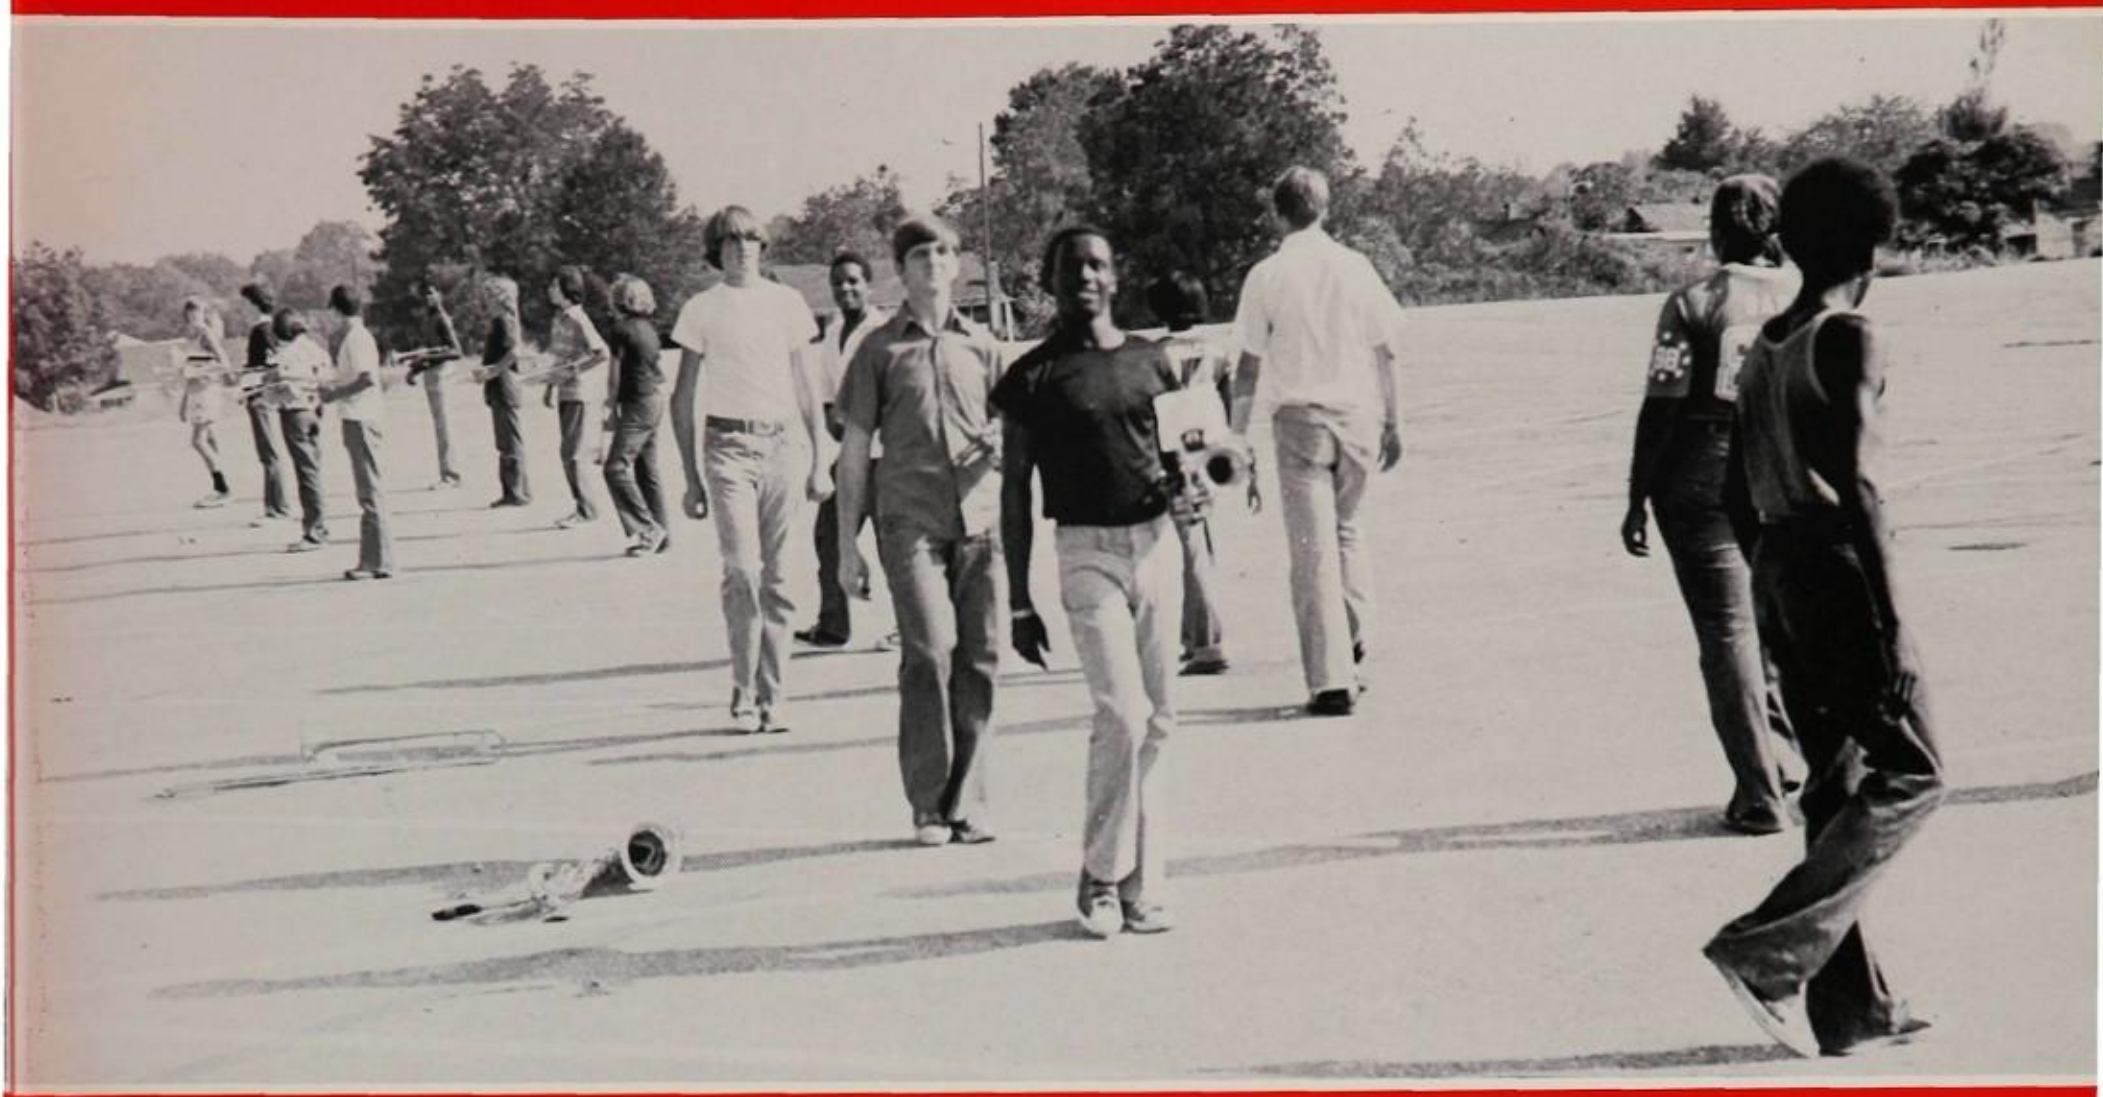
. . . we practiced to be perfect?

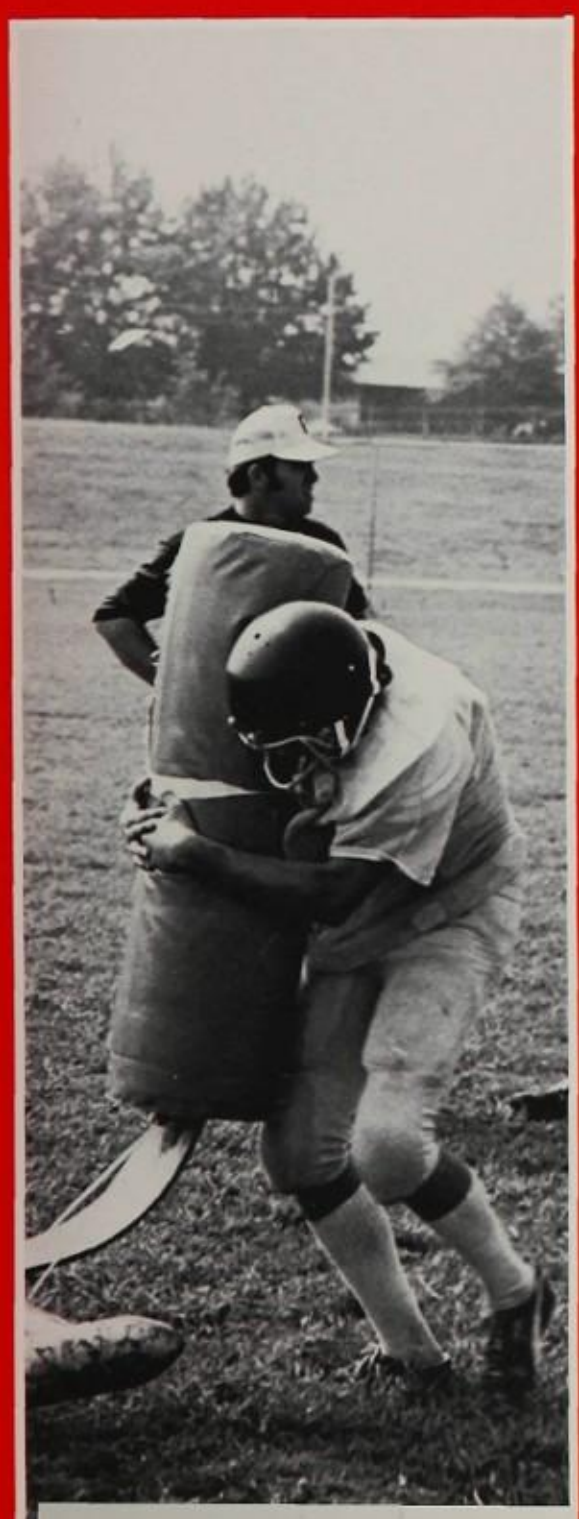
Everyone had a special activity, but it took lots of practice and hard work to make things perfect. There were hot afternoons, long drills, and tired muscles. All these combined efforts produced a spectacular Friday night for the GHS fans. The practice paid off!

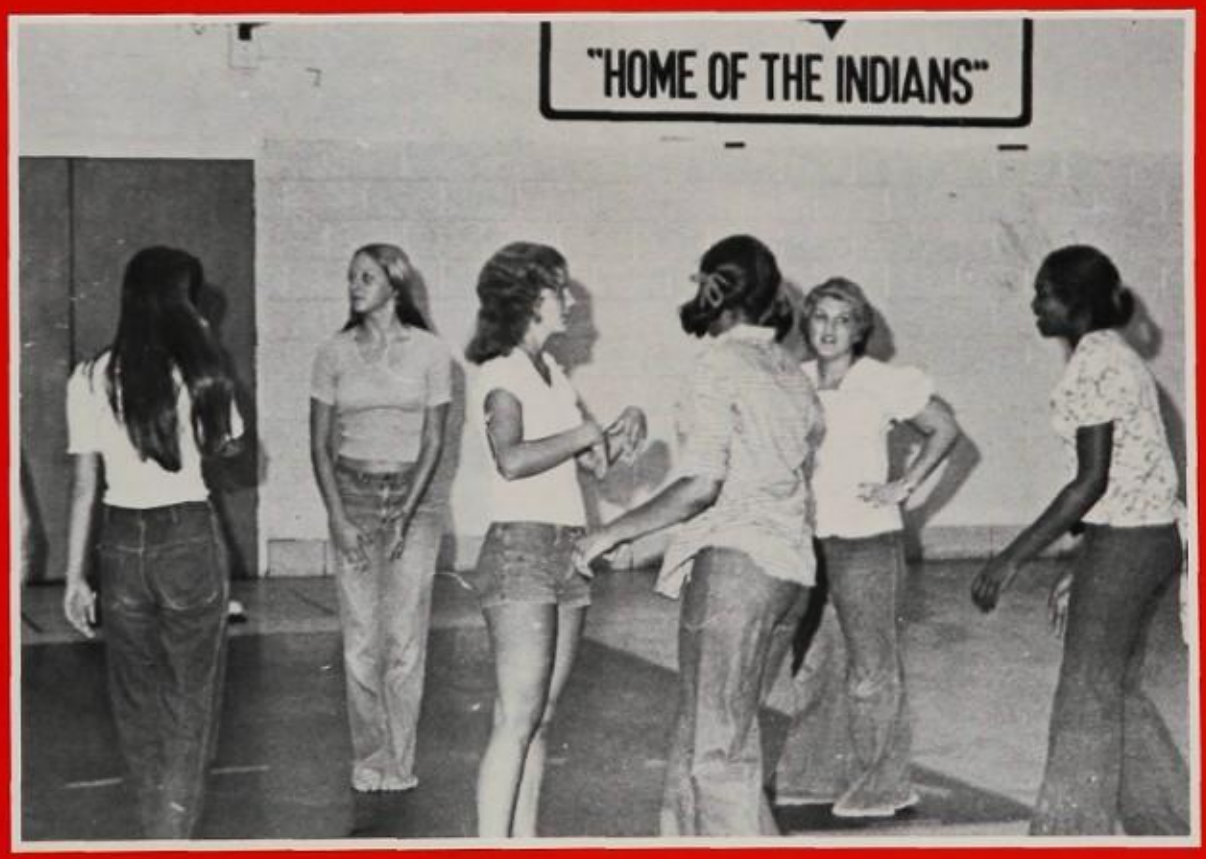












Opposite page: Left: A grim expression, but nevertheless a muscular-practice hit that insures hard tackles. Right: The varsity football team runs drills in preparation for Friday night's game. Right: Varsity cheerleaders practice a cheer to be used in pep rallies.

Upper: The GHS Band perfects its marches by long afternoon practices. Left: A tackler practices his crushing blows; Coach McRee looks downfield to other practice areas. Right: Although somewhat disorganized, JV Cheerleaders practice their steps and yells.

With our deepest appreciation, we honor

Mrs. Linda Bratton

You are ever so appreciated by your students and fellow teachers. Always willing to lend a hand or give helpful advice, knowing you has given many of us a new outlook on life and enriched it enormously. You are truly a real friend to the student body as well as the faculty.

Where would the CHEROKEEAN be without you? Who would solve all our business problems? In saying thank you for ironing out all the financial creases so to produce a great yearbook, we co-dedicate the 1976 CHEROKEEAN to you, Mrs. Linda Bratton.

you for your loyalty and understanding

Mrs. Helen Parker

A true friend to everyone, you are a lady to respect and also to love. Your bright smile is a blessing in itself, but knowing you intimately has given many hearts a real warmth. Through your work and its kind nature, you have shared with us your faith and love, being essential to us not only as a teacher but also a comforting shelter when things get rough.

Those of us on the annual staff appreciate your loyalty and support in the production of the '76 CHEROKEEAN, knowing that we nor any other staff could have done it without you. The student body of GHS says thank you and humbly co-dedicates the 1976 CHEROKEEAN to you, Mrs. Helen Parker.

What Is a Rookie?

A rookie is someone who tries to act older, and ends up acting more immature than anyone else.

A rookie is one who writes his combination and locker number on all his books, then realizes he left the books in his locker.

Rookies are old enough to know, but too young to try it.

You know you are a rookie when you find mashed potatoes, left by a junior or senior, in the seat in which you just sat.

Rookies are afraid to raise their hand in a class of juniors and seniors — even when they have to go to the bathroom.

For the first time in Gaffney High School football history the Indians did not come out victorious at least once during the year. There is no one to blame, for the team is young and inexperienced. No one can say they did not try because each player and coach gave everything they were capable of giving. This is the team of future victories at GHS and the knowledge they learned through this year's defeats will be rewarded in the next few years.

In the season opener Gaffney met their long-time rival, Spartanburg, on Snyder Field. The first half proved to be one of defensive strategy with Gaffney holding the Vikings to seven points. The Indian defensive unit, after spending most the night on the field, finally buckled under in the third quarter and gave up three touchdowns. The Indians came out on the short end of a 28-0 score.

In the home opener against Greer, the first half was once again a defensive struggle. Greer scored once in the first half, but the Indian defense could not stop their fierce attack in the second half. The only Gaffney score came in the fourth period when freshman Tim Childers passed nine yards to end Frankie Peterson for the score. Once again the Indian's lack of depth and experience hurt as they fell 28-6 to a fine Greer team.

The Indians, starting four ninth graders and six sophomores, gave the Dorman Cavaliers a scare, but that was all. The only Gaffney scores of the night were on an 18-yard run by Scott Childers and a 2-yard run by Donald White. The clock ticked away and the Indians never could catch the hard running Cavs. The final score was 27-13.

Gaffney opened the Region III schedule at Northwestern. Behind the superb running of Donald White and the accurate passing of Tim Childers, the Indians had their best performance of the early season. The game was marred by much controversy but to no avail for the Indians took another hard defeat of 28-26.

The Indians then traveled to Lancaster to meet the Bruins. As in previous games, the offense could only get one score, a 17-yard pass to Glen Foster from Tim Childers. However, the defense could not stop the grueling, running attack of the Bruins. For the fifth straight week, Gaffney met defeat by a score of 42-8.

The Indians returned home to face the Rock Hill Bearcats. The small, young Indian squad showed plenty of heart, but was unable to overtake a lead built by the Bearcats early in the game. Gaffney scores came from runs by Scott Childers, Dewberry, and White but this was not enough as the Indians fell 26-20.

The Winnsboro Wildcats put a damper on the 1975 Homecoming as Winnsboro ran off with a 36-12 victory over the plaguing Indians. The Childer's brothers, Scott and Tim, were the only Indians who crossed the goal line, while Winnsboro passed and ran at ease.

The Indians then headed for Walterboro still looking for their first victory of the season. But they soon found this was not the place to look. The only score of the night was a one-yard run by Tim Childers, which did not do the Indians any good as Walterboro continued to pile on the points. Walterboro came out on top of a 41-6 rout.

The last road game of the long 1975 season was played at Chester. As in the previous eight games the Indians could not generate any offense, and the defense could not hold off the piercing Cyclone attack. The Indians were shut out 24-0.

The final game of the disappointing season was played at home to Conference Champs, Union. The first half was a hard fought battle, but the determined Jackets continually knocked at the Indian's door. As the final buzzer blew, the Indians fell to their tenth defeat 28-0.

The Indians finished the 1975 season with a 0-10 record. It was a very long year, but next year will come quickly and these young faces will be waiting because they know they can do it!

Little Indians Have a Short, But a Winning Season

The Junior Varsity at GHS had a short year, as they only played five games. Due to many dropouts on the varsity team, the JV team members were moved into positions on the varsity team.

The JV team was victorious three out of five games. The highlight of their season was their win against Spartanburg (18-6), their biggest rival. After their game with Rock Hill, the team was dissolved.

Even though it was a short season, the team played extremely well, revealing a bright future for Gaffney High football.

Harriers Capture

Eight years ago the people of Gaffney High asked, "What is Cross Country?" Well today the Gaffney High students will tell you, "It's Great!"

Under the fine leadership and coaching of Whitefoord Smith, fifteen young men ran miles and miles to condition themselves for their dream — to win the state championship. After winning nine straight matches and capturing the Upper State title, they headed for Columbia to bring home something for the students at GHS and the people of Gaffney.

Working as a unit and giving it everything they had, the Gaffney Harriers captured the Cross Country 4A State Title. It was not by chance or luck that they won; it was by hard work and sincere dedication. For seniors, Tony Lavender, David Clary, David Parris, Orlean Dawkins, and Matthew Sizemore, it was a goal set three years ago followed by a desire and confidence in themselves and each other to be winners.

The 1976 CHEROKEEAN proudly salutes the 1975 Gaffney High School Cross-Country team for representing our school and community as honorable STATE CHAMPS!

. . . memories were relived and made during Homecoming '75?

The happenings of a GHS Homecoming begin on Thursday night with the bonfire and the subsequent burning of "Homer." On Friday, alumni visit their alma mater and the homecoming assembly and pep rally are held. Although in recent years the queen was announced on Friday morning, this year the '75 Homecoming Queen was not presented until the halftime ceremony of the ballgame climaxing two days of excitement and creating memories that will live forever.

. . . assemblies entertained us?

As is the custom of GHS, the regular schedule of a school day was broken with the announcement of assemblies. This year we enjoyed the student and teacher talent shows, the Thundergust, and the installation ceremonies for the Beta Clubs and Student Council. Many special assemblies were also held such as those at Thanksgiving, Christmas, Homecoming, and Veterans Day.

What Is an Amateur?

Being an amateur is like a sandwich. There is someone above you and someone below you. But you like being in the middle because that makes you the main and best part.

An amateur is either someone in the 11th grade, or a guy who has the same name as his father.

An amateur is a person who finishes what the seniors start.

Being an amateur means studying hard that year so you can goof off your senior year.

What Is a Pro?

Being a pro is thinking you're at the top of a ladder, then finding out you're only at the bottom of another.

Being a pro is like being a monkey waiting for the gate to open to a banana plantation.

Your senior year is a time to party, relax, and take up residence in the second floor commons area each day from 8:00 'til 3:00, unless you get a warm invitation from Mr. Whiteside to come and see him about some nice vacation plans that he has for you.

A pro has the feeling that freedom is near, but the many memories inflict regret of leaving.

Being a pro is working 12 years of your life to get there, then wishing you could do it all over again.

Outstanding Seniors

As in the past several years, the most deserving upperclassmen at GHS were selected as the 1976 Outstanding Seniors. Although the major qualification of the selection was based on the student's accumulation of ten or more points during his senior year, the individual's participation in school activities was also taken into consideration.

There were more Outstanding Seniors named this year than in any previous year. The Class of '76 can be proud of its products and know it will be well represented in colleges and universities throughout the south in the next four years.

LOOKING AHEAD TWENTY YEARS

You and your classmates are about to embark on an exciting new time of life. You wonder where you will be, what you will be doing, twenty years from now. No one knows, of course. But it's good to have goals, and it's fun to make predictions.

We thought you and your close friends might like to record some of your thoughts about the future — looking ahead twenty years. When 1996 rolls around, you'll enjoy reading what you wrote and seeing how accurate you were.

One of the safest guesses you can make is that The Timken Company Gaffney Bearing Plant will still be here in 1996 providing opportunities and contributing to the economic strength of Cherokee County.
